

Camp Peniel Weekend Campership Application

Camp Peniel does not want to turn away any person due to lack of money. Therefore, we maintain a Campership Fund to provide limited assistance to those families unable to pay the entire camp fee.

The Campership Fund is supported by individuals and churches who wish to assist in providing a camp experience for all, regardless of financial status. As the Campership Fund is limited and we wish to assist as many people as possible, we do ask that you consider carefully and prayerfully the amount of your campership request.

Campership requests and approvals are kept confidential. The recipient will not be discriminated against in any way, nor will counselors or other campers be made aware of campership arrangements.

What does a weekend retreat cost?

Weekend Retreat tuition varies by age group. Please see our Weekend Retreat Camp Registration for dates and prices (available at www.camppeniell.org).

Who is eligible for scholarship assistance?

Scholarships are available for families needing financial support. Scholarships are awarded on a first-come, first-served basis. Eligibility criteria include but are not limited to financial need and specific individual or family circumstances.

How may I request scholarship assistance?

The first step is to determine what portion of your camp tuition your family is able to pay.

Monthly payment plans are available. Please contact the camp office for more information.

Next, please submit ALL of the following items to be considered for scholarship assistance:

- 1) Completed Campership Request
- 2) Completed Weekend Camp Registration (must be done online)
- 3) \$10 per person deposit

All information is confidential and is used solely for determining scholarship need and eligibility.

Each of the three items listed above must be submitted before your request is considered. If your request is not approved or the amount does not work for you, your deposit will be immediately refunded.

Weekend Retreat Applications are available online at www.camppeniell.org. You will be notified by phone or email if your scholarship is approved. Weekend Campership Applications are reviewed the week they are submitted.

NOTE: One can access the Campership Request Form via camp's website or contacting the office via phone (830-693-2182) or email (assistant@camppeniell.org). The Campership Request Form **does not** register your camper for camp. If you already registered your camper online or through the camp office, you are responsible for full tuition if a scholarship is not awarded.
